#### **How do we identify and give extra help to children and young people with SEND?**

The school uses Oxfordshire County Council's 'Guidance for Special Educational Needs (SEN) Support' to assess potential barriers to learning and plan for reasonable adjustments, before amending and delivering appropriate provision and reviewing progress.

The guidance sets out in detail:

- How we identify if a child or young person has a special educational need
- How we assess children and plan for their special educational needs, and how we adapt our teaching
- Ways in which we can adapt our school environment to meet each child's needs
- How we review progress and agree outcomes and involve you and your child in this

This guidance can be located on the SEND page on our website.

We take a holistic approach towards all aspects of a child's development and well-being, and provide support around emotional and social development, through our pastoral team. Further information can be found in our school offer and on the school website. Our measures to prevent bullying can be found in our Anti-Bullying Policy.

#### **The Assess, Plan, Do, Review Cycle:**

For children on our SEND register, an Assess, Plan, Do, Review cycle was established by class teachers in partnership with the children and their parents. Please see our SEND Policy for further details.

During the 2021/22 academic year, we had 11 children receiving SEN Support and 4 children with an Education, Health and Care Plan.

#### Partnerships with other schools and transition:

4 children on our SEN register in 2020/21 made a successful move to other settings, including 2 children moving onto mainstream secondary education and 1 moving to a specialist setting.

We ensured that the transition into our reception classes was smooth by offering virtual meetings, transition support plans, nursery visits and a staggered start in September.

## **St. Aloysius' Catholic Primary School**

### **SEND Annual Information Report 2021 - 2022**

For children moving from reception classes to KS1 and KS1 to KS2, we held a whole school transition morning to give children the opportunity to meet their new teacher and see their new class. For children with SEND, additional visits were arranged if required, as well as visual resources to support with the new changes e.g. social stories, photos of new teacher and support staff. These were shared with parents to be used in the summer holidays to help prepare children for the move into a new class.

We worked with secondary schools to ensure transitions from Year 6 to Year 7 were well planned for and smooth. Transition plans were different for each setting due to COVID restrictions, but support included virtual meetings, in-person site tours, group transition visits, video tours, meet and greet with pastoral staff, and professional meetings between SENCOs.

#### **Ongoing development:**

We work hard to ensure that any areas of support for our learners that can be improved are identified, and that strategies are put in place to make those improvements. We do this through our whole school improvement plan, which includes specific actions to improve outcomes for children with SEND.

#### **Our complaints procedure:**

Anyone wishing to make a complaint with regard to SEN support and provision should contact the headteacher in the first instance. We aim to respond to any complaints as soon as possible. This year we received no complaints with regard to SEN support and provision.
